I have spoken with the Landlord about 4220 & 4230 Greenbrier. I am still evaluating if 4220 has been in violation. 4230 has numerous violations. I have attempted to contact you via phone several times with no response. If phone does not work for you, please let me know.

Did you find out yet if we can apply the crime free to the shootings on greenbrier I believe we can because of past evction
Please let us know. The residents that live over there need a peace of mind

Thank you
